On March 12, 2020, Governor Newsom issued Executive Order N-25-20, which enhances State and Local Governments' ability to respond to COVID-19 Pandemic based on Guidance for Gatherings issued by the California Department of Public Health. The Executive Order specifically allows local legislative bodies to hold meetings via teleconference and to make meetings accessible electronically, in order to protect public health. In light of this, the September 3, 2020 meeting of the MBARD Advisory Committee will be held via Zoom webinar. There will be NO physical location of the meeting. The public is strongly encouraged to use the Zoom app for best reception. Due to the current circumstances, there may be limited opportunity to provide verbal comments during the meeting. Persons who wish to address the Board for public comment or on an item on the agenda are encouraged to submit comments in writing to MBARD by emailing orourke@mbard.org by 5:00 pm on Monday, August 31, 2020. These Comments will be distributed to the MBARD Board before the meeting. Members of the public participating by Zoom are instructed to be on mute during the proceedings and to speak only when public comment is allowed, after requesting and receiving recognition from the Chair. Prior to the meeting, it is highly recommended that participants download the Zoom app at: <https://zoom.us/download>
