Notice of Availability of Air District Fee Rule Revisions and Public Meeting Schedule

March 17, 2025

Dear Permit Holder,

Public workshops and Board meetings will be held by the Monterey Bay Air Resources District (MBARD) to consider the Fiscal Year (FY) 2025-26 Budget and fee rules. MBARD is considering a fee increase of 2.8% based on the Consumer Price Index. We request your input on the draft FY 2025-26 budget and fee rules. Copies of the proposed fee changes will be available on the website (www.mbard.org) or upon request beginning on March 17, 2025. **Any changes to MBARD fees would be effective on July 1, 2025.**

These proposed regulatory actions are categorically exempt from the requirements of Public Resources Code Section 21000 et seq., under the CEQA Guidelines, California Code of Regulations, Title 14, Chapter 3, Section 15308, for Class 8 exemptions. Since there are no new control standards being proposed, the proposed regulatory action described herein is exempt from California Health and Safety Code (HSC) Section 40727.2, which requires that a comparative alternative analysis of any new control standard be performed.
