**LET'S
GREEN
CA!**

Event Highlights

- **Test drive 7 different electric vehicle (EV) models** all at one location, including the new Mustang Mach-e, Prius Prime, Kia Niro, Volkswagen ID.4, Bolt, and more!
- **20 EVs on display**, talk one-on-one to electric car and motorcycle owners
- **Kids' hands-on Mission Z activities**, free bike helmet or bike light given to participants (while supplies last)
- **Test ride e-bikes**
- **Award-winning ice cream** available for purchase from Revival Ice Cream
- **Fun, educational activities at booths** staffed by community organizations focused on clean transportation and environmental options for a healthy lifestyle

Adults who test drive and participate in activities will be entered for a chance to win a new Faraday electric bike!
