

Community Air Protection Program Emission Reduction Grants

WORKSHOP

JUNE 8, 2021

10:00 A.M.

*Monterey Bay Air
Resources District*

Cap and Trade
Dollars at Work

Community Air Protection Program is part of California Climate Investments, a statewide initiative that puts billions of Cap-and-Trade dollars to work reducing greenhouse gas emissions, strengthening the economy, and improving public health and the environment — particularly in disadvantaged communities.

MBARD would like your input on how to improve air quality in priority* neighborhoods

WORKSHOP WILL BE HELD LIVE ONLINE VIA ZOOM
