

**MONTEREY BAY UNIFIED AIR POLLUTION CONTROL DISTRICT  
REGULATION VII  
EMERGENCIES**

---

**RULE 703. REPORTS**

---

The Air Pollution Control Officer shall make weekly summaries of the readings required by Rule 702. The summaries shall be in such form as to be understandable by the public. These summaries shall be public records and immediately after preparation shall be filed at the main office of the Air Pollution Control District and be available to the public, press, radio, television, and other mass media of communication.
