

Supplemental Application For Air Quality Planner I or II

Instructions: Please respond to each of the following questions. Type or print your responses on 8-1/2" x 11" paper with a font size of no less than 10 point. **Please limit your responses to a page per question or part.** This information may be used to determine those applicants with the most directly related experience, education, and training to continue in the selection process. Do not combine your responses or reference your application or resume to answer a question.

Please be advised that the information you provide will be evaluated "as is" and incomplete, vague, or illegible responses will likely receive lower ratings. Therefore, it is very important to provide concise, organized, and easy to follow responses to each question.

1. Please describe your experience in each of the following areas. Your response must include the name of your employer, the size of the employer's organization, your job title, the level of management you reported to, the length of time of your experience in years/months, a brief description of your duties and responsibilities, and examples of the types of decisions you made regarding the subject area.
 - a. Development and implementation of air emissions reduction strategies.
 - b. Project management, grant program coordination, or contract administration.
 - c. Environmental or transportation planning and analysis, including preparation of air quality plans and development/review of environmental documents. Identify use of analytical skills needed to perform these tasks.
2. Please describe your education and formal training that qualifies you for this position, including any licenses or credentials (e.g. AICP).

Please return this signed form with your responses attached to your application.

I certify that the information provided on all application materials is accurate and complete to the best of my knowledge. I understand that any falsification may cancel any terms and conditions, or privileges of employment.
